

Didier Buthiau Named a Lifetime Achiever by Marquis Who's Who

Didier Buthiau has been endorsed by Marquis Who's Who as a leader in the medical industry

NEUILLY-SUR SEINE, FRANCE, January 2, 2017, Didier Buthiau is a celebrated Marquis Who's Who biographee. As in all Marquis Who's Who biographical volumes, individuals profiled are selected on the basis of current reference value. Factors such as position, noteworthy accomplishments, visibility, and prominence in a field are all taken into account during the selection process.

Marquis Who's Who, the world's premier publisher of biographical profiles, is proud to name Didier Buthiau a Lifetime Achiever. An accomplished listee, Didier Buthiau celebrates many years' experience in his professional network, and has been noted for achievements, leadership qualities, and the credentials and successes he has accrued his field.

About Didier Buthiau

Dr. Buthiau is a physician consultant at various clinics and hospitals in Paris.

He is an expert in the health department in Paris and has authored several medical books where he shares his insight on expanding the scope of medical imaging. Some of his works include "Clinical CT and MRI," "CT and MRI in Oncology," and "Virtual Endoscopy." For his contributions, he was honored with the National Academy of Medicine Prize in 1994. Marquis Who's Who has also honored Dr. Buthiau with features in Who's Who in the World, Who's Who in Science and Engineering, and Who's Who in Medicine and Healthcare.

In recognition of outstanding contributions to his profession and the Marquis Who's Who community, Didier Buthiau has been featured on the Marquis Who's Who Lifetime Achievers website. Please visit <http://whoswholifetimeachievers.com/2017/01/17/didier-buthiau/> to view this distinguished honor.
